

Adiel S. Jaramillo

March 3, 1993 - August 12, 2022

Adiel Jaramillo was born on March 3, 1993. He passed away August 12, 2022. Born in Bartow, he was raised in Lakeland, Florida. Adiel was his name but to his friends and family he will always be remembered as Lito. Lito always managed to captivate the scene of any ambience, even before he began his dream of becoming a vocalist.

He had a hidden talent that needed to be expressed, dearly. Thanks to the encouragement of his close friends, and his talented colleagues he found the confidence to chase his dreams. Music was always one of his interests, he shined bright when the mic was to reach his hand.

Es por eso es que lo apodaban "El Niño de Oro", sus colegas, Los Sonoramicos..

The backyard meet ups were always our ways to catch up and express ourselves.

.. el siempre nos decía "apaguen las luces guaches, para cantar mejor" when we would have our meet ups. He was a very shy person at most, but through the dark, he guided us with his Light.

Growing up, Lito was always the center of attention. His bright smile, and loving personality were fundamental properties of his Charisma. His contagious laugh, and comical ways will forever be cherished in our hearts.

Lito will always be Loved and Remembered, for he left a legacy with his family and friends. Lito is survived by his Loving Mother, Maria Solorio and his

Father Estevan Jaramillo. He is also survived by his younger brother Steve Jaramillo.

His dying wish was to be celebrated and remembered through his music.
