She retired from Florida Power and Light Electric Company in Miami when she

decided to marry Julio; that just so happened to be the widower of her close friend ,Fabiolita, she knew since college in Cuba, and moved to Lakeland , Fla. Until then she had been a single career woman that loved the arts , music traveling and photography.

She was a devoted daughter and loyal friend to many . Alicia also had a green thumb with a passion for ferns of every type.

group of friends she and Julio were apart of from Lakeland .

“ *Alicia, the sister I never had, the best friend you could ever have, the most caring and helpful person one could ever encounter, truly an exceptional human being and a true friend. She will be greatly missed by a lot of people that had the privileged of her friendship. Rest in peace my friend and until we meet again in the presence of our Lord Jesus Christ. Amen*
