“ On so many days & nights, our home was blessed with the laughter & smile of Amanda C. Amanda C. because her bestest friend forever was my daughter, Amanda G. The Amanda's as they were known to the world. I am so blessed to have been able to cook her favorite, macaroni & cheese or pizza, watch her swim in the pool, listen to her giggle with Amanda, hug her & finally tuck her in during all those sleepovers. She was the apple of my daughter's eye & the two were inseperable since kindergarten. I so loved having her in my home & loved hearing her sweet little laugh when the girls would find something funny. Amanda is a sweet, sweet gentle soul. She cared for people so genuinely. She cared for me & I will always be grateful for that. She will be missed forever. Forever until we see her again. I pray she rests in peace. I would pray that she could still be with us but God has called her to heaven to be with him. She will be a special angel. A very special angel. To Maria & Harry. I love you both so much. Know that your baby girl will never be forgotten & that we will miss her sweet, sweet earthly presence. May God bless be with you now & as you pass the future days. I love you.

“ Though I had only met Amanda once during the family’s visit to our home near Seattle some years back, I have a memory of her being exceptionally bright, knowledgeable and well rounded beyond her years.

My deepest condolences to her family and loved ones.

“ *When I think back to middle school and high school I always think of Amanda. What a great friend she was! Super silly, loving, spontaneous and understanding. What an amazing honor it is to have all these memories. Sending lots of love to those who were close to her and to her family during this hard time.*
