To Nikki and family my call

To Nikki and family my condolences , I remember Aunty Sing with her beautiful smile .Bev Witter

“ She was one of the kindest and most compassionate ladies that I have ever come across, even though we had a rough beginning that all passed as the more I got to know her, the more my care and affection towards her grew. I know from the family that was around her that she was a caring mother, aunt, friend and grandmother and I got if even a little of that care. I'm happy that I was able if even a little bit to care for her, and to be around her as she taught me a whole lot. Gonna miss you ❤️
