Arihana Salima Tulloch, 11

Angel of Love

I came in to this world as Arihana Salima Tulloch on December 21, 2007 in San Antonio, Texas. Shortly thereafter, my parents moved us back to their original home in Lakeland, Florida.

Growing up as an asthmatic child, I had frequent episodes and would have to visit the doctor on many occurrences. So naturally, my life's passion was to provide care and love to children sick and in need of happiness. My dolls were my first patients and we would play pretend illness and I would be their doctor tending to their every need. Wherever I went and saw kids, I was naturally drawn to make friends with them and spread my love and happiness.

Though my time on earth was brief and my dream of being a Pediatric Doctor fell short, my Academic Achievements are as follow:

- Reading Achievement Certificate, Churchwell Elementary – May 27, 2014
- Top Math Award, Churchwell Elementary, May 27, 2015
- AB Honor Roll Certificate, Winston Academy of Engineering -December 4, 2015
- All A Honor Roll Certificate, Winston Academy of Engineering, for 2016-2017 school year
- AB Honor Roll Certificate, Winston Academy of Engineering, for 2017- 2018 school year

- Outstanding ELA Achievement on Florida Standards Assessment for 2017-2018 school year
- Outstanding MATH Achievement on Florida Standards Assessment for 2017- 2018 school year

As it was in this life and the life after, I will continue to be an “angel of love” helping and comforting all little children in need of tender loving care and happiness.
