My heart is broken. I had the pleasure of caring for her. Our trips to Publix . One of her favorite places. She knew everyone there. She gave the best hugs, I know she hugged a lot of broken pieces. In my heart back together. After my divorce. I started going to Willow Oak 34 years ago. I walked in with 3 little boys. Sat right behind Joe and Barabara. And a friendship was in the making. She loved Jesus. Her family. Her church. And lipstick. I told her she was beautiful without it. Love and prayers. In the video, Terri of her putting on her lipstick and saying bye, My heart. Tears
