“Missing my Nanny, missing the texts, phone calls and prayers we shared. I knew she was getting tired. She fought to stay strong and regain strength daily our Lord had different plans. I love and appreciate her for all she did for me and our family!! ❤️

“ It saddens me to be separated from my Aunt Bobbie. I am comforted to know that she is in heaven with our cherished family members. Her faith and her belief in Jesus was so very strong. Besides being my beloved Aunt, this feisty - petite fireball was my friend, confidant, mentor and nightly text buddy. Aunt Bobbie was an inspiration to me to work hard and put family first. Without her knowledge - she encouraged me to count my blessings. She often told me how seeing pictures of our great grandchildren - Damon and Danica - made her smile. We call them "The Littles". We discussed recipes frequently. I believe it was her or my cousin Ellie, that taught me how to make "Smashed" potato salad. Henry and I will miss her greatly. She gave super hugs. I will continue to keep her and Unc and Eddie, Ellie and Lee and all their "Littles" in my heart and prayers. Xox. 💜

“ I truly want to express what kind of woman that Nanny really was she had the most loving and caring heart that I have ever seen she would go out of her way to do what she could for other people before she would do for herself but most of all I seen how much she loved the Lord and she loved her family she will always hold a special place in my heart as well as my husband John Lowery's heart as well she will never be forgotten I always look and will continue the rest of my life to look on the good times that we spent together now I know she is she is in a much better place with the rest of her family that has went on before her that she isn't at peace and having no more pain or suffering and I know that she is watching down on us from above and that we will see her again we love you forever and always nanny.
