“ *Let me start by saying, we loved your mom. She was so very nice, very generous and we loved visiting her, especially at the Holidays, and having a drink or two. She was the first, and only person I know who ever offered me the use of her mink to wear to an event we were going to. She was just a wonderful person to know and the picture here is exactly how we are going to remember her... beautiful inside and out. Condolences to her family, she will be missed. Rest In Peace Barbara, we love you* ❤️❤️❤️
