*Yes, we want all her family to know that she was a beautiful person inside and out. The angels in heaven are definitely rejoicing. To the family, I know at this time you all are grieving. I pray you find peace and comfort knowing that she is now with our Heavenly Father no more pain and suffering. Just pure joy.*

*I didn't know you granny in your younger years .but as I have seen since I been your caregiver for last 7 Year's . I know how you both called each other daily to check on each other. I use to take you to your granny's once a week .and we would help her in the yard with flowers or go have lunch together . I enjoyed spending time with her .she was a very sweet grandmother. God Bless*
