“ I have fond memories of Belinda tutoring me through Algebra I & 2 on the bus ride to Kathleen Jr High. She was beautiful, smart, and the best kind of friend. In high school, we talked about the books we were reading and our plans for the future. I was excited about reconnecting with her at the last reunion, but unfortunately, the hurricane kept me from attending. Although we exchanged texts a few times, I sadly wish we could have had one last in-person chat. Godspeed, sweet friend.
