“ Always loved her laugh. It was contagious. She loved everyone and was a very giving person. I loved the times when our families were together at reunions or just because. She was first cousin to my mama AND to my daddy. A unique kinship...we loved it. She always treated my granny so special.

Betty, you will...you are missed very much. I know you were so happy at your reunion in heaven with Jesus and your Jack and other family and friends. I like to think my Adrienne was there to greet you with a big hug as well. Much love, Mary Ann
