

## Betty Johnston

August 2, 1931 - August 2, 2018

Betty Johnston came in to the world on August 2, 1931 and left us on August 2, 2018. She is survived by her four children, their spouses, 9 grandchildren, 2 great grandchildren and her beloved cats. She was a gifted artist and in her 60's she painted a multitude of acrylics and oils. She also took up golf in her 60's and in 10 years managed to make three holes in one. She spent many years bowling, water skiing and traveling between Orange County, CA and Bullhead City, AZ where she could play her favorite slot machines. She later moved to Lakeland, FL to be closer to her family.

Holidays were a special time and decorating for each was a passion. An avid collector of miniatures called "Just the Right Shoe" her collection numbered in the hundreds. A feisty gal who had her 5 children in 25 months, Betty was never one to give up on anything. The loss of a child and two husbands never slowed her down. Her spunk and spirit will be greatly missed by all who knew her.
