“ *Mrs. Betty! Not a bad word could be said about her! She was one of the most loving and caring souls to ever walk this earth. She loved EVERY CHILD she came in contact with! So many children she reached out to when they were sick, hurting, sad, even when they were happy. She loved to share each moment she could with a child! I spent many days and even a couple of nights at her house. As a child and as an adult! I remember when I was a little girl in Highland City Elementary she was our custodian She was not only our custodian but our mentor too! Anytime ANY CHILD ran up to her she was there with her arms wide open! Mrs. Betty you never left anyone with a mean or harsh word just an I love you or be safe. You were loved while you were here and you will continue to live on in the hearts of the ones who had the privilege to know you. I love and miss you! Rest in heaven!!! Until we meet again!*

“ My deepest sympathy for your loss. You are in my thoughts and prayers. Betty and I often prayed together as we shared our prayer concerns. She loved her family and always requested prayer for each of you by name. As long as she was able she was faithful to her church. May you find comfort and peace in knowing she is now at home with her Lord and Savior Jesus Christ. God bless you all.
