“ My deepest condolences to all of Beverly's family...children, grand children, sisters and brother. She will be greatly missed as she was very much loved. Beverly loved the mountains in fall, and that's usually when we would see her. Going to Mnt Mitchell was a must-do and driving and seeing the colors. She was excited to retire so she could travel, and garden. She loved to be out in her yard. Bill and I were amazed at her extensive collection of needle work. She did phenomenal tedious work and while she and Jeanette were here this past summer, Beverly taught Bill to do needle work and it was fun watching them. She had the patience of Job. She always gave of herself selflessly to her children and grand children and it was evident she loved them all very much. We miss you Beverly and love you. Fly high on that mountain. ❤️❤️❤️
With much love, Cheryl (and Bill)
