No doubt I will miss Bill. I still can't figure out who was the instigator or mischief or trouble, he or Gina. Possibly they took turns. All in fun and to get a rise out of Betty. Love this family.

Bill is going to be so missed by his family but he made so many memories with them that he will always be near by. Jim and I love this family and we go way back with Betty and Bill. Their love for God and each other was so apparent. We lost track of each other for awhile but we met up again it was like we had never been apart. Our prayers for Betty and family will be on going and Bill will always be so much a part of our life. Love and hugs.
