“ Billy was my granddaddy and the best granddaddy a girl could ask for. He was always there to support me growing up and always there to support my kids during sports and other things. He loved his family so much and will be missed greatly. He had the biggest heart and I am so thankful him and my Granny raised my daddy and uncle to have those same hearts. Even though he's gone his heart will shine through his sons. He will be missed greatly. Still wishing I would just wake up from this nightmare. I love you granddaddy and will miss everything about you ❤️
