“ Dear Brittany, Bob, Barb, and Family: we are Angie Zombek's parents and want to offer our deepest condolences and prayers for all of you and for the repose of Brad's soul. We have known Brad since his high school days when he and Angie met while working at the Regal Cinema at the Promenade. We have fond memories of his coming to our home to hang out with Angie and he got the rest of us in the bargain too when he came over. We are a family that loves to tease and laugh and some of our best memories of Brad are when he felt comfortable enough with all of us to tease back. He was good at it too.

We feel privileged to have known him. What a super fine young man.

May he rest in peaceful joy and may all of you always enjoy your special memories of Brad.
