“ She was one of the funniest people I knew, I trained her at Garden of Memories and we had so many laughs and good times together. She loved her family and any one that she came in contact with. Her smile lit up a room, I didn't get to see her often but when I did it was just like yesterday all over again. The bond that y'all shared was precious and priceless and can never be replaced. I love all of you so much and sending many prayers for comfort and peace.

“ Stacy Connell-Blount and family 🙏 We so saddened to hear that our lovely sil "Brenda Connell Simmons" pass on to heaven, but, we know she is not suffering anymore and rejoicing with her loving family.

We remember all our earlier years together being young mothers and such good friends. Then our time at the Garden of Memories working together. In fact she was training me on the switchboard there. Parties with family on special occasions for Thanksgiving 🦃 and Christmas parties 🎄 We had lots of wonderful times and the laughter, I will always remember. Also, she was a jokester and loved to tell stories and she would just laugh 🤪😂. Oh I will miss that 💔💔 The 70th 🗄🗄🗄 birthday party was such a special and day of celebration for her. You made everything so special and she had a wonderful time and so did we.
Thank you, we will love and miss her 💔💔 Love and prayers 🙏❤️
