“ *About 8 years ago my then 6 year old was playing on my phone and 911 was called. Bigford was the responding officer. That day started a friendship between 2 boys ages 4 & 6 and a LEO. He took the time to ride the green machine with them and just knew he needed one for his boys. My youngest insisted that Bigford took his green machine and give it to his son. In turn, Bigford return about a week later with a nerf gun. That act of kindness filled a positive place in my children. We are going to miss him and his influence on my boys.*

“ *Brent was an amazing man. I remember when I worked for the City of Mulberry and i was involved in an automobile accident. Bigford was on scene. As I was being tended to and taken to the hospital, Bigford told me not to worry- he would go to my house and let my boys know how I was and stay with them if necessary. i will never forget his compassion. He will never be forgotten. May he rest in eternal peace.*
