It seem like a different lifetime when we first met 1985. Even though I haven't seen him in years he was and always will be a true friend. Bruce was like the big brother I never had. He was someone that had your back no matter what! I'm really glad we got back in touch with each other, I just wish we could have gotten together one more time, I'm sure it would have been as if we never lost touch. I think we got along so well because we both had such big personalities ! As I watched all photos about Bruce it brought back so many memories, all of them good! But my favorite one was the picture of Bruce giving someone the finger, I'm sure it was me he never like his picture taken, and that's how I'll always remember him, with that big smile flipping me off! Love you brother, rest in peace.

“ Bruce was such a kind and caring person. He sold my family several cars and he will be sorely missed. He was a good friend to Aaron and everyone loved him! Rest In Peace Bruce.
