“ *I knew Carmen on the tennis court and she was an awesome opponent. She could make tennis look so easy - her hair was always down but she never broke a sweat, she would barely move but would always get to the ball and knock it right out of my reach! I always enjoyed playing with or against Carmen. I will miss seeing her on the courts.*

Miss those early days as kids, Cuz with the family get togethers back in Philly. Just talking about the first time Larry met Carla way, way back and his Carmen Ghia / Monte Carla joke to break the tension. Happier moments.
