“ *My mom was the most loving person I know. She was always concerned for others well being despite her battling her own health issues. I love her more than I can put into words and she will be with me in my mind and heart forever.*

Keith Konopinski - October 05, 2016 at 10:07 PM

Amen! And you are not alone. She will always be in my heart and mind also. Love her and miss her more than anyone will ever know. ❤️

Sydria Ray - October 06, 2016 at 01:30 AM

“ *My condolences to the whole family. I know what she meant to Rebecca. You can never replace a sister's love and support, but perhaps beautiful memories will help.*

“ If I'm to read this correctly it says share a memory and it's probably a good thing I can't be there or I'd for sure cry but knowing Tish the way I did she'd be cracking up right about now. First time I met her and her one eyed, hearse driving husband Lenny who by the way didn't like company in his house we were having dinner and being the Angel 😇 that I am (cough,choke cough again) helped set the table and Tish and Syd looked at me all strange and replaced Lenny 's dinner plate with a meat platter, meat fork and I swear a saber. I was ok I can do this it isn't like I have a normal family but then Tish freaks out and says oh man I forgot to tell him we had company go hide in the closet so we did and Lenny came and beat the shit out of the door I almost wet my pants and then he walks in as normal of a person as a person could be but damn I gave them a good laugh. Love those people...man the times I'll miss. Love you **XOXO**
