“ I have many memories of Charlie being the exceptional and kind man that he was. Even though I have never met his family, I know how much he loved them; so it was especially flattering when he would say that I reminded him of his youngest daughter. I hope there is some consolation knowing that everyone who knew Charlie admired and respected him. Rest in Peace Charlie. I feel for your family in their great sorrow, and send them my heartfelt condolences.

“ I will always remember my Uncle Charlie as a good-looking, muscle-bound, always interested in my life and children, "good 'ole boy" from Polk County. I appreciated all the times he was in the audience for our plays and musicals at the theatre and his ready smile and hugs. Love to you Aunt Nancy, Lisa, Jennifer and Stacey as you - as we all grieve.

“ I remember going to Wood Brook Mobile Home Park with Charlie and Bobby. I remember going there and it was real muddy that day and Charlie and Bobby and I were digging a ditch. I was in the middle in the mud and dirt and everything caved in on me Charlie ask Bobby she would dig her out or leave her in there. I said you better dig me out Charlie and Bobby just laughed. I remember the boiled peanuts that Charlie used to give me. Every time I saw him he always had a smile on his face. Charlie and Nancy for the sweetest people that you'd ever want to meet. Charlie we're going to miss you. Rest in peace.

“ One of the things I remember about Charlie was Ralph Murphy and him would compete in feats of strength against each other. Ralph was the biggest man and Charlie was the smallest in stature but everything Ralph could do Charlie could match and sometimes beat him. He had the biggest heart of anyone twice his size. I'll miss him.
