“ Just heard the news of Charlie’s passing. I met Charlie probably 6 years ago at green swamp west hunting area. He gave a buddy and I a few sausages he had brought back from Georgia. Some of the best I’ve had. We sat around and talked for hours about his days in Miami to the north Lakeland area he was currently residing. He was always bright eyed and funny and could joke all day. We had become good friends and will really miss him but will see him again one day. RIP Charlie until we meet again.

“ We met Charlie through Judi and Leah Whom we met at girlscouts. We became friends and camped together on Peace River. Our girls were good friends in school and Girlscouts. Charlie was so funny. He truly had a great sense of humor. I just joked with him about finding all the treasures in the water by the cabin in Tenn, You will be truly missed, until we meet again, love Don and Rene Raiden and Amanda Raiden Thomas

“ To Judi and Leah and the entire family, my love, thoughts and sincere condolences to you all. I cannot make the trip to Lakeland, but will do a special tribute, to Charlie, on our Lake Lanier, later today. Since Charlie loved the outdoors, hunting, camping and the water, I thought it would be a good place to send up a message for him! Praying for you all, sending comfort and hugs.
