*I am so sad to read this. I seen the house was for sale and couldn't
figure out where they moved to. I was there fedex delivery driver and
would love talking to them and playing with bo when he was alive and
Lincoln. They would always jump up on my truck and get treats. I am
so so sad to read this as they were wonderful people*

“ Chris & Linda were a wonderful couple taken too soon. Enjoying being grand parents and growing old together. We will never forget all the good times we had going to parties at General Telephone Co. Our heart goes out to their sons and their families.
They are together forever.
