“ I am terribly sorry to read this news. Chris was one of the sweetest people I've ever known. We were in Leadership Lakeland together, and she was on my existing industry team when I worked in economic development in Lakeland. Chris was such a special person and a true team player. To her family and friends like Jolinda, please accept Fred's and my belated sympathy. xo Sheila and Fred

“ To our beautiful, dear friend...That is the smile we will always remember you for. You introduced us to the most beautiful place in the world, and we always considered you a part of our family. We will never forget your energy, running through all the properties with us over the years, and your caring nature for all who knew you. Especially your fur babies. You will be GREATLY missed my friend. We love you...and know you at piece.

I will miss your hugs. I must admit some weeks is was the only one I got. I found you smile welcoming. You always did above and beyond with the task at hand. Your attention to details didn't go unnoticed by me. Your church family misses you but so very happy for you that you are home with the Lord. God blessed us with the time you were present in each of our lives. You made a mark on each of our hearts. God bless those left behind with peace.
