

Christine Joyce Duprea

September 20, 1982 - July 20, 2017

Christine was born to Esmin Anderson and Christopher Duprea on September 20, 1982 in Spanish Town St. Catherine Jamaica. She is the eldest of two children. She migrated to the United States in 1994 and lived in Plant City and then settled in Lakeland Florida where she attended Crystal Lake Middle School, Lakeland Senior High, Remington College and Polk State College and obtained her degree in Computer Engineer.

Christine was trustworthy, kind hearted, reliable and extremely smart. Christine enjoyed working with her hands; she was skilled in arts and in repairing computers and phones. She kept the car she received at age sixteen, and was the sole mechanic, and was planning on getting an antique tag for the car on her next birthday. She worked at several jobs where she was instrumental in developing process to help streamline the job functions for smooth and effective operation.

One of her favorite Bible verses was Ecclesiastes 9:10 “whatever thy hand find to do, do it with thy might.” She loved her God and her family, and was the glue that kept the family together. She created family chat group where the family came together to meet and greet and form bonds that kept them strong. She enjoyed helping others, not only by meeting their needs, but by giving them tools to help them achieve and to be independent. On the other hand, she was a no-nonsense person and will not tolerate foolishness.

Christine was taken from us on July 20, 2017 with many unanswered question. She leaves behind her mother and best friend Esmin and her brother Kamar, her Auntie Carmen, Mauver and Algetha who were like mother to her. She also leaves behind a host of family members including her beloved Nephew Liam, father, brothers, sisters, cousins and lots of friends and well-wishers. She will be greatly missed.

It's so sad to say goodbye to some so beautiful. I will never forget get kindness, it was just so pure. She was all about family and it didn't matter how far removed the family is, she just had real love for people. To the family, I pray that God will comfort your hearts.

“ If only Chris could hear us...I use this medium to say to all who will visit this site, while we have a lot of questions, let us use the impressions left by Chris to influence our present and future. God loan her to us and us to each other, do all the good we can, to all the people we can, just as long as we can. Because when we are gone, all that hose who are left behind have are memories. Let's get ready because we don't know when. May Go continue to comfort us as we grieve the passing of our friend, Cousin, sister, daughter nice and confidant.

“ Words cannot say how I feel. This world is not our home, we're just passing through. Our treasures are laid up somewhere beyond the blue. I believe with all my heart that Christine is somewhere beyond the blue, resting peacefully in the arms of God. Peace be with you Christine. From Maria Anderson with love.

Gone but not forgotten. He only takes the best God saw she was getting tired so He put his arms around her and whispered (come with me .) A golden heart stopped beating, Hard working hands put to rest. God broke our hearts to prove to us He only takes the best. 🙄. Sleep on in the arms of Jesus. To the rest of the family members, may you all find comfort and healing in Jesus name. Much love and prayers to you all 🙏. From Veronica StGeorge and family .
