“ I grieve with you for your loss. I was a classmate of Cindy's and only knew her for a short few years. But she left in me a lasting impression of genuine kindness and humor; and she shone with a brightness that's too seldom seen in this world. It's a dimmer world without her, but Heaven shines the brighter. May the Spirit comfort and keep you all as you find your way forward.

I am so sorry to hear of Cindy's passing. I worked with Cindy for a short while at Summit Consulting. She was such a sweet and energetic person, a pleasure to be around. She moved on to our parent company, but was definitely missed. She will be missed in life as well. I pray that God comforts and gives peace to the family. God bless.

“ *My best friend, my partner in crime, my spend the night buddy, my putt-putt winner, my brides maid, my skating partner, my hang on the phone for hours friend, my bicycle riding & get lost buddy, my band camp survivor helper, my ever so humble beauty queen that never ever made me feel like the ugly duckling...the list could go on forever. Even tho mommy duties and life took us miles apart, we have always loved each other from a distance. Nothing has changed. Thank you and your beautiful family for sharing your amazing life with me. I love you, my Cisco Kid. Save a spot for me. ~Love, Fluffy <3*

“ Cindy was a beautiful lady who demonstrated her unwavering faith, compassion, and selflessness to all. While her passing is sad for us, she is now in a place of peace and joy with God our Father for eternity. I pray Tom and Cindy's family find comfort in the great life she lived and shared with us.

“ Cindy was just a beautiful person inside and out! I can't recall a single instance where she didn't have a smile on her face. My heartfelt condolences go out to her family! She will live forever in my high school memories. I consider it a privilege to have known her!

“ Cindy was my "sister" and fixture in my home during our high school days. She was beautiful inside and out ... even after winning several school and city pageants, she was always genuine and humble ... with that goofy sense of humor. Although its been many years since I last saw her, I always thought that I would see her again. I pray that she is smiling and laughing in heaven ... and I pray for her family that is missing her right now. Hoping we will all meet again one day. Love you and miss you ...

“ *The Dr. Fred Lamb Family is praying for your family during this most difficult time. Cindy was an amazing young woman who was a ray of sunshine for all. My father was band director at Albany High and then Music Supervisor for Dougherty County for many years. He always spoke highly of Cindy, her musicianship and leadership, her bubbly spirit, and her family. I imagine Daddy was one the first to greet her in Heaven. I went to high school with her brother, Casey and got to know Cindy even more during those years. My heart breaks for your family. May God wrap His loving arms around you and give you the comfort and peace that only HE can provide. We will keep you in our thoughts and prayers in the many difficult days ahead.*

*With my love,
Lacey Lamb Wynn*

“ *What to say about a friend from high school who I only knew for three years. Actually there's alot. She was without a doubt a bright spot in everyone's life who knew her. Her attitude, and energy could not be ignored or forgotten. I've often wondered about her as I have many friends from that time and wished I had taken the time to keep up but that's another story. I was in band with Cindy. That's how we became friends. She was a leader and an inspiration to us all. Her fun and caring personality together with an infectious smile made her impossible not to like or forget. My sincere condolences to her family and friends. I've remembered her often and fondly.*
