My sincerest sympathy to Kim & Kaytha and your families. Alvin & I use to double date with Norma Kay & Edward and we remained the best of friends for many years. We loved them like our own family. I was deeply saddened when Norma Kay passed away and equally so when I read in the paper today of Ed's passing. I have so many fond memories of both of them and the good times we shared since High School. My heart goes out to you two girls. You have so many memories to cherish.

Much love to you-all.
