“Cody was a great person all around. He had such a vibrant personality and he wasn't hesitant to let it show to anyone. I've seen how he was with his nephews and you could tell how much he loved them and how much they loved him back. They had such big smiles always, and I could tell how much Cody cared. And I could see how much he cared for anyone he was around, and he was always so nice and respectful to me as well. He was taken much too soon, but I know that his family loved him and will continue to share his memory forever.
