NO

“ I am so very sorry for the loss of your mother!
We didn't see Connie too often, but from what I remember Connie and my mother Violet (her Aunt) would have a laugh fest. I don't know what they were laughing about but it was always a happy time!
I pray that all your memories of your Mom will bring you comfort and peace! 🙏❤️🙏❤️🙏❤️

“ We are family, we are cousins. Our mothers were sisters therefore I loved you by default! I'm only playing I really did love you. I know I didn't grow up close to you and we really only connected because of Facebook, but I am thankful for that! Family is so important to me! Candy Julia and I were the closest, keeping in touch after meeting in Florida so many years ago and then I connected with Cindy later. I wish we had grown up closer to each other. I know you were so sad when John passed so my heart finds peace knowing that you are together with him again. And with your mom also. Tell all the family that I said I love them all! Rest peacefully Cuz ! ❤️

“ Mom, I still can't believe that you're gone, I will love & miss you every day. I know that you're back with the love of your life now, you & John were truly soulmates. It hurts my heart knowing you're no longer here but I'm glad that you are not suffering. RIP my beautiful mom 🙏🙏💕
