Craig you were an amazing father grandfather brother friend. I know in due time I will have to. But not sure I will ever get over this. You were always just a phone call away. Good times bad times no matter what you always had time to talk to me. We may not of talked every day or text every day. But it seems like you always text me or called me and is at the right moment. Thank you for everything that you ever did for me all the talks all the advice. RIP Big Money

Carrie, i was so saddened by hearing of Craigs passing! This was an awesome video of your journey together. It brought tears to my eyes as well as a smile. A wonderful man taken to early. May your memories and your faith in God help you through this time of sorrow! Hugs from Ct.

You were always there to talk too and always offered your shoulder to cry on when needed. Through all the good and bad times, you were always there for me. Never judged, no matter what! I will miss you terribly. You were taken away from all your loved ones way too soon. You will never be forgotten and will always be so deeply missed. I love you dad! ❤️

“ *Your surprising departure left us a great pain to those who knew you and for those that shared with you moments that'll never be forgotten. In only to see you, you let us know that you were a wonderful person, great father, caring husband and an understanding friend. I'm grateful to God to have met you, to listen to your advice and the experiences you lived on Earth. I know that God was preparing you to receive you by his side and that people like you don't pass but only rest, I know we will see you again. We will miss you.*

“ *I am so saddened by the loss of Craig. I only met him a handful of times but he lived up to all the wonderful stories I had heard. Funny, charismatic, and friendly easily made him my favorite Campbell. I wish I had a chance to sample his goulash and hear him play a little piano. My deepest condolences to all who loved him and prayers for comfort during this time.*

“ We as the Lambert family would like to express our deepest sympathy for the loss of a great man. For the time we knewed him it was nothing but good times. And surely you will be missed. A gap in our hearts are still open with hurt and sorrow we each feel at this time. We will never forget you as we reminise over the great times you brought to us. Surely you would have love to stay but God had other plans for you. We will always keep you in our hearts. May God continue to strengthen the family as they mourn and grieve for such a great loss. Forever remembered by the Lambert Family.
