“Well Craig I thought me and you were gonna grow old together. You gotta be missed my friend. You can close friends over the years never had a problem with each other. It just sucks that this had to happen like I said many times in the past one of any chapters in life come to an end, but will not be forgotten. Rest in peace, my friend from the Amore family.

“My cousin, growing up sharing family gatherings is one of my fondest family memories. There was always laughter, fun snowmobiling, playing outdoors, and the Halloween parties bobbing for apples. When you all moved away, you were greatly missed, and to this day your family stays in my heart. I can see your smile now. To everyone, from the Jensen family... we are so sorry for your loss.
