“ I always looked forward to seeing and talking with Debbie whenever I visited The Fund's Polk branch in Lakeland. She usually had a funny story to tell and invariably made me laugh. She was equally talented in title production and committed to customer service. I am so blessed to have known her and worked with her. I pray comfort for her family.

Sincerely,
Jeff Rogero

“ I was a coworker and friend to Debbie for 40 years. She was more like a sister to me and was the person I shared everything with. She was bold, brave, and always lived large. She took care of everyone in her family and always found time for a friend. I will miss her greatly.
