“ *Debi was a very lovely lady... We always had alot of fun if it was just a shopping trip or a cup of Coffee together ..She always spoke each time we got together in person or on the phone about her family she love so very much . We always had lots of laughs . She had one of those infectious laughs .. Always smiling and trying to make people happy . I will never forget her ..Until I see you again My friend ..Miss you so very much and love you for you just being you //Sincerly , Missing you my friend Love ya,, Krista And Gene*
