“ *Dear Phyllis, we were so saddened to learn of your loss. Ironically, Coop and I were having a nostalgic talk about the 'old Terchila's gang' last weekend and I said, 'wonder if Dennis & Phyllis are still living in Florida?' Even though time has passed, know that we've thought of you both over the years. May God grant you serenity in the days to come. Sincerely, Maria & Coop (Dan) Clyde*

“ Phyllis,
I was very sorry to hear of your loss. I will keep you in my prayers. I hope you will be able to find peace over time that God will heal your pain. I always considered you a friend over a coworker so if you ever need anyone to talk to I'd love for you to call.

“ *Very sorry for your loss, I knew Dennis growing up in our neighborhood in Sharon, Pa . We were friends who fought each other about three or four times a year ! I don't know which one of us was more stubborn. I shared alot of good times with him, and wish I could have visited him as an Adult. Eric Fromm Bellefonte,Pa*
