Dennis has been a true friend for many years. We met thru work at IMC more than 30 years ago. I never saw him without a smile and always willing to help not only at work but off the job. Ron worked with him directly for many years and they remained friends even after they worked in different areas. He truly did help those he knew in times when they couldn't have made it We were one of those. Rest in peace our dear friend, prayers for you Leo. Earlene and Ron Lash

“ *Dennis would always know exactly what to say whenever I was feeling sad or unhappy.*

I ache to hear him tell me what to do to get rid of this unbearable pain I have now.

I still can't believe that he is not ever coming back home to me.

I miss him beyond belief.

I love you my Thumper.

“ Thank you all so much for your well wishes, condolences, thoughts and prayers.

"It hurts when you realize that the person that is closest to you is the farthest away".

My brother saw how much pain that I was in and advised me to "try to recall only good memories", that's easy because I don't have ANY bad memories of him. Dennis always made me feel so special. I miss him dearly.

Lets all celebrate him by remembering just how wonderful he was. He would love to see us smiling and laughing when we remembering him together. Please feel free to share any memories or stories that you have for him here on the tribute wall or at his memorial service this Sunday. He would love to hear them.

Dennis and I want to thank everyone who has been there for me, helping me get through the most difficult thing that I have ever had to deal with.

Sincere Love and Thanks.
