“ I had the pleasure of working with Diane for many years. I knew her as one of the most caring and warm hearted people that I have been blessed to call a co-worker and friend.
To her family, though I can't be with you today, please know that my thoughts and prayers are with you. I know she will be missed.

“ *Jan & I love Diane more than words can express. He says that he will really miss playing the guitar with her piano music. I'll miss her in so many ways; music, singing, serving on committees but most of all, her friendship! We will place a good book in the Gapway Library in her memory! Jan & Shirley Lester*
