

Dominic Cleveland Lewis

February 25, 2022 - February 25, 2022

Dominic Cleveland Lewis was born February 25, 2022 at 7:48 pm in Lakeland, Florida. He weighed 340g and was 9 inches long. For 23 minutes, his parents held and prayed over him before Dominic met the face of Jesus.

He is the son of Robert and Vanessa (Cox) Lewis and is survived by his big sister Josephine and paternal grandparents Robert Lewis, Sr. and Kathy (Lewis) Dugan. He has preceded in death by his maternal grandparents James Cox and Cheryl Cleveland.

Though his life was short, every minute of it was wanted and cherished. We have eternal hope we'll one day be reunited. Until then, our family will always feel incomplete. We love you so much, buddy.
