“ Your were given one of these before. You were who you were & made me who I am from the experience. Wherever you are now I hope its where you deserve to be.

“ Don! I tried to get ahold of you a couple years ago - old phone number - no work. Don was a US Marine Vietnam combat vet & who I met at the Tampa Vet Center decades ago. Great fun those few times at the mud track. Don & his black mud truck was legend there known as “Shooter.” Still have that gold Eagle coin. “LT” John Kieffer
