Don thank you for being my friend and opening your home and heart to me....you took care of me for 3 mons. When I needed a place to stay. I remember sitting around in your living room with you n your family talking about Jesus...what I'd give to start that over. They were good people...and I could tell loved hearing my testimony. I think of you all and carry your burden. I love Ellen and know she was good to you. Thank you for your friendship and laughter and loving heart you gave to me. Don was such a joy to be around. We will always remember his smile, laugh and kindness. I never heard a bad word about him. We were both "K"s, and sat by each other in the many classes we shared. I recall him sitting on t he railing with the other guys. He is the type you never forgot. I am praying for his family and ask that God send you comfort and peace. I know this is a hard time for you. It sounds like he never changed either. I was proud to call him friend, and I am sure a lot of others felt the same way. God Bless You as you face each day and know how much he was loved.
