“ *I have known Mr. Ed(as I always called him) for most of my life. He was an amazing man that kept me on my toe's. Always telling me I needed to have a job and be able to take care of myself because I can't rely on someone else to take care of me. I would like to think I became the person I am today because of our talks and all of his good advice. I will miss him but I know he is with Martha now and watching over all of us. I am so sorry for your loss Joe and the rest of the family.*
