“ Mama, I was the luckiest girl in the world to have you as my mom. You were an awesome mother and grandmother. You were kind and loving and I learned to love the Lord through your life of setting an example. I am going to miss your smile and your calm spirit. You taught me how to be a good wife and mother by your actions that I watched for years. I know you missed daddy, and I am so happy you both are once again together. Give daddy a kiss for me and tell him I miss him terribly. Thank you for your love for me. I will see you again one day. I will miss you and think of you and daddy everyday until then. Love Gloria
