“ *There are no words that can describe the shock and swiftness of this moment. In this life the sadness when we lose someone like tio Ernesto is beyond word's.*

All of my child hood memories include this quiet yet incredibly strong man.

His presence here on earth will be missed. My heart and comfort goes out to titi Gladys and his children and grandchildren. We feel and note his absence ...but their pain holds a depth we can't feel. Know that this amazing man with his loyal gentle soul ..is in the part of a souls journey that we all aspire to reach.

And just knowing he is watching over us ; gives me hope that this ending on this side of life; is just the beginning of the true life God gives when we reach heavens door.

My love to you tio.

Thank you for my memories of you 💖
