Eugene L. Anderson, Sr., known as Gene, Daddy & Papa, was born September 7, 1942 in Montour Falls, New York. He passed away at Lakeland Regional Health on September 3, 2021.

Gene moved to Florida with his family when he was 15 years old. He married the love of his life, Reba Anderson on April 21, 1967. They were married for 54 years.

He had a love for racing for over 60 years. It all started with stock cars with his brothers in his early years. Later, Gene, Reba and his boys Rinky & Ritchie started racing go karts, and after many years, progressed to Super Late Models. Gene was the motor builder, a big supporter, and their number one fan. Gene was always involved with helping his boys and then all his grandchildren with racing. Every one of them have had a Papa built motor. Gene's love for his family was unconditional. We are honored to have had such a wonderful person to be a part of our life. We will miss him dearly and pray one day we will see him again.
