“ When I see that picture of Fred, I get a burning in my stomach....It's so hard to accept that he is gone...I remember when he had that (and a lot more) picture made when we all lived at the beach. Fred was a great friend and roommate of mine for a long time...He was just someone I could depend on for anything...and I did. Now, I can't....I will miss him so very much.. Heaven's Angels...please take special care of this kind and gentle man...He will be missed by many... God Bless his family and bring them peace knowing he is in a better place...
