“ Gabe, regardless where life has taken us, no matter what has ever happened you'll always be loved and missed. Severally unfair, greatly uncalled for on the kids and dad will never forget you, Angel misses you and never had the chance to meet you but knows he would have loved you to. You was one of a kind and so is Carrie, and I'm sorry for what ever happened, just wish we could have said good-bye.

“ I remember alot of us looking up to him as young boys..He was the older one out of the group..He made sure we we're all ok at home and at school..He just knew how to put a smile on your face if you was having a bad moment or day..He would give you his last dollar..He would do almost anything just to help you if you needed it..The best memory i have is us building Patato guns and shooting stuff up 😊. The long bike rides down RockRidge.The funny as heck stories he always explained..And the man could fix anything we broke 😊😭..Truly like a big brother to the Neighborhood of RockRidge..The world didnt know what to do with an amazing guy like that so The good lord said he needed an extra angel up there 😊 😊 Mannnn ill miss himmm smh..Tell we see each other again..If you can read this bro "I Love You Gabe" "Thanks for everything"
