“ Sarge is so sad without you. You know how every time you would leave the house for 5 minutes or an hour, he would howl the whole time. He hasn't howled once. He knows something is wrong. AND SOMETHING IS VERY WRONG. YOU ARE SUPPOSED TO BE HERE! I promise to take very good care of him. He's the only Sarge I have left. I love and miss you so much and cannot grasp this at all. I feel so lost without you. I pray you are at peace and Sarge wanted to say goodbye too.

“ Hank, we spent 27 years together and never, ever did I think this would happen. I don't know how to go on. I don't even feel like this is real. I miss you so much I can't breathe. Why did you leave me? What do I do now? I will love you until my last breath. I hope you are in peace, surrounded by love, and out of pain. I love you, Sarge!
