“ I have many fond memories of my father-in-law, and one being the look on his face when he was acknowledged as the prom king at his assisted living facility. That was a very special moment.

“ Buddy, Jackie, Carol and family. I am very sorry for the passing of Uncle Roger. He truly was one of my favorite people. As a child, I used to love going to visit he and Aunt Mable. My dad and him used to shoot pool in his basement. My favorite memory was the times at Prime Hook. When we got back from fishing, he used to "gun" the motor on the boat and land it right on the beach. I don't know what I enjoyed more, the fishing or the beaching of the boat.

God Bless,
John Price
