

Hubert "Hobie" Dampier

March 20, 1949 - May 29, 2021

Hobie enjoyed a simple life and was the true definition of a free spirit. Although he was raised in Florida, it was the Western part of the country that captured his heart. He spent many years as a wrangler on Dude and Guest Ranches, caring for and training horses. He fell in love with the people, landscape and lifestyle, making his time there the happiest days of his life.

He was preceded in death by his mother and step-father, James "Jim" and Georgia Hutton, his biological father, Harry F. Dampier and his sister, Susan Dampier.

He is survived by his brother, Harry "Pete" Dampier, nephews, James "Dustin" and Joshua Dampier and dearest and closest friend, Donna Pipkins.

So for now we say goodbye. Happy trails Hobie... 'til we meet again.

“ For our senior year at KHS we took the blue Ford (I think it had been Pete's car first, it was the one that the hood came open and blew back against the windshield) and spent a week at Daytona Beach chasing girls and Hobie spent a lot of time trying to catch a wave. In 1970 or 71 we teamed up and drove my car to Lake Tahoe, got jobs at the casinos and stayed 3 or 4 months. Good times, Great memories. Tommy Blewett. tblewett@gmail.com.

I was one of those girls at Daytona. It was a summer love every high school girl dreams of having. Thank you to you and Hobie.
